

Powerhose Plus Dealer Kit - Chrome - PPMERC30

All the hoses and fittings you need to cover a wide range of motorbikes, quads, scooters and specials. Supplied with 30 assorted hoses ranging from 150mm to 725mm in lengths, plus a selection of fittings in high quality chrome finish. You can reorder the fittings as and when required. We can also make hoses with coloured PVC to order. The lines are **TUV** approved and **DOT** registered in the USA. Components are manufactured from marine grade stainless steel for long lasting use. Fittings are chrome plated mild steel.

Please note:

With the exception of banjo bolts, 'Powerhose Plus' components are **not** cross compatible with the 'Powerhose' system.

Powerhose Plus fittings simply screw on to the lines stainless steel 1/8 BSP swivel nuts. This allows perfect alignment when bolting to the bike!

*Box layout may vary slightly from image shown.
