

# Powerhose Dealer Kit - Stainless -3DLRS

50 assorted fittings, 10m of braided stainless steel hose, 3m of clear cover, parrot nosed cutters, tool for making ends, brake fluid and set of 4 storage boxes in their own housing.

### Important point to note:

With the exception of banjo bolts, 'Powerhose' components are **not** compatible with the 'Powerhose Plus' system. Fittings are supplied with nuts and olives where required.

Stickers		#

\* Will be phased out, but chrome option still available

Included high carbon steel parrot nosed cutters are perfect for cutting brake hose, neatly and quickly

VT62 - This handy tool (included) is used to open up the braiding when making up DIY Powerhose and holding banjos when tightening up the socket nut.
